

There is a statistic that about 80% of people in the media would like to see Kerry win!
There is a whole bunch of Hollywood crowd using their celebrity status trying to destroy the image of the President by any vulgar means imaginable!
There is a stupid fat ass movie maker Michael Moron, doing everything possible to distort the truth!
Etc, etc, etc, etc, etc.
Democracy? Let's preserve democracy in America and show the People the truth!
It is about time someone has the guts to put the shoe on the other foot.
Show me "Stolen Honor"!!!
